## NOTES FOR MOCK EXAMS 2016:

- All examinations are in the hall, unless an alternative venue is stated on the timetable.
- Whether in school to study, work on internals or for exams, you need to wear full **school uniform** at all times.
- For hall examinations, please assemble on the Music side ten minutes before your exam is due to start.
- You must remain in the hall for the first hour of an examination. After that, you may leave only at set times.
- **No electronic equipment.** Calculators may be allowed if stated by the teacher. These will be reset at the start of the examination.
- There is to be **no food** in the examination room, however, you may bring water.
- All equipment is to be in a clear plastic bag and may contain **blue and black pens only, pencils, rulers, erasers, and writing pencils.**
- Some teachers will also run extra sessions on internal assessments. You will be notified by your teacher if you must attend these sessions.
- If there is a **clash** between the exams you are required to sit, please see Mrs Crowe as soon as possible; she will organise an alternative.

Good luck and be prepared.

Mrs Denny
