

Whakatāne High School Enrolment Scheme

Each year the Whakatāne High School Board of Trustees will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The board will publish this information by notice in a daily or community newspaper circulating in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received. Applications for enrolment will be processed in the following order of priority:

- **First priority** - this priority category is not applicable at this school because the school does not run a special programme approved by the Secretary of the board.
- **Second priority** - must be given to applicants who are siblings of current students.
- **Third priority** - must be given to applicants who are siblings of former students.
- **Fourth priority** - must be given to applicants who is a child of a former student of the school.
- **Fifth priority** - must be given to any applicant who is either a child of an employee of the board or a child of a member of the board.
- **Sixth priority** - must be given to all other applicants.

If there are more out-of-zone applications than places, applicants will enter the selection process for places at the school on the same basis as other out-of-zone students.
